SUMMARY

Dedicated and detail-oriented Software Quality Engineer with over 5.8 years of extensive experience in software testing across multiple domains. Proficient in both manual and automation testing, with a strong background in SDLC, STLC, and Agile methodologies. Expertise in various testing tools and frameworks, with a proven track record of ensuring the highest quality standards in software deliverables.

Work Experience

Software Quality Engineer, Accenture Private Limited   **Oct 2021 – Present**

- Collaborate with Agile/SCRUM teams to define requirements and design test cases
- Managed end-to-end testing lifecycle from planning to execution and reporting.
- Conducted manual testing to identify defects and ensure software functionality and reliability
- Utilized tools like Fiddler for network testing and JIRA for project tracking and defect management
- Supported Agile processes by participating in daily stand-ups, sprint planning, and retrospectives
- Provide guidance and support in the use of JAWS and NVDA for accessibility testing.
- Utilize tools such as JIRA for defect tracking and ALM for test management

Test Analyst, Tata Consultancy Services   **OCT 2018 – OCT 2021**

- Engaged in mobile testing for both Android and iOS platforms, ensuring seamless user experiences
- Developed and maintained automation frameworks using JAVA, Selenium, and Maven
- Perform API testing using POSTMAN to ensure data integrity and functionality.
- Execute non-functional testing to assess application performance, security, and accessibility.
- Managed and maintained test scripts using the HP-ALM tool
- Skilled in creating detailed test scripts that facilitate clear understanding for team members

SKILLS

- **Testing Methodologies**: SDLC, STLC, AGILE, SCRUM, Defect Lifecycle
- **Testing Types**: Manual Testing, Automation Testing, Mobile Testing (Android, iOS), API Testing,
- **Programming Languages**: JAVA
- **Automation Tools**: Selenium, Test NG, Maven
- **Frameworks**: Hybrid Framework
- **Tools**: ALM, JIRA, POSTMAN, JAWS, NVDA, Fiddler

Education

Bachelor of Science (Computers)   **JUN 2015 – JUN 2018**
M.E.S Degree College

Achievements/Awards

- Best Tester Award (2018)
- On The Spot Award (2019 and 2020)
- Star of The Month Award (2020)
- Excellence Delivery Award (2022)
- Growth Catalyst ACE FY22 Q2 Award (2022)
- Global ACE Award FY23 Q2 (2023)

CERTIFICATION

Automation and Manual Test Analyst, Q-Spiders   **AUG 2018**
